

Ger-Peel

Exfoliating Cream

Cleansing and Exfoliating Line

Ger-Peel is a creamy finely granulated textured peeling.

It lightens the complexion and reduces blackheads.

Size: Retail 90 mL/Salon 150 mL

About

Key Ingredients

Polyolefine microcapsules.

Assure a smooth peeling and the elimination of dead cells.

Extracts of cucumber, arnica and elm.

Softening and soothing action

Actions

Suitable for healthy, irritation-free skins only.

Avoid using on the eye area.

It is mainly used to eliminate dead cells and impurities on the T-Zone.

Ger-Peel contains microcapsules that dissolve when rubbed, releasing a polyolefine gel that gently smooths the skin.

It eliminates dead cells, sebaceous secretions and other impurities.

Ger-Peel makes the skin look radiant and softer and it lightens the complexion and reduces blackheads.

Use

Skin Conditions

Irritation-free skins of all ages with a tendency to become oily and that present blackheads.

Home Use

Once a week

Gently massage a small quantity of Ger-Peel with wet hands.

Use circular movements insisting on the T-Zone area. Avoid the eye area.

Rinse with lukewarm water.

Salon Use

Step #1 of Skin Care Treatment

After using Glyco and Fibro, apply a thin layer of Ger-Peel and massage gently with wet hands.

Use circular movements.

Rinse thoroughly with lukewarm water.
