

Argini

Soothing Mask

Epidermis Regenerating Masks

Argini is a hypo-allergenic soothing cream mask with anti-inflammatory properties.

It is suitable for sensitive skins of all ages.

Size: Retail 50 mL/Salon 150 mL

About

Key Ingredients

Kaolin.

Purifying, astringent and toning.

Extracts of camomile, witch hazel and cucumber.

Anti-inflammatory and soothing.

Sweet almond oil.

Brings essential fatty acids, soothing.

Actions

Argini anti-inflammatory and calming plant extracts make it suitable for all skin types but particularly for sensitive and inflamed skins. It is purifying, astringent and toning and leaves the skin calm and refresh.

Use

Skin Conditions

Suitable for all skin types but is particularly recommended for sensitive and inflamed skins.

Home Use

Once or twice a week

After cleansing the skin, apply 1/2 teaspoon by light massage all over face, neck and eye area.

Leave for 10-15 minutes and remove with lukewarm water.

Salon Use

Step #7 of Skin Care Treatment

Use Argini at the end of the face treatment, alone or under Vegetal mask.

Cover with polyester foil to help infusion of active ingredients.

Leave for 15 minutes.

Argini leaves the skin clean and relaxed. Can be followed by a protective cream.
