

# Glyco

## Cleansing Milk

### Cleansing Line

Glyco is a rich textured cleansing milk. It removes make-up, cleans the skin deeply and eliminates dead cells.

**Size:** Retail 200 mL/Salon 500 mL

## About

### Key Ingredients

---

#### *Glycoproteins*

Constitute the fundamental substance of the skin tissues.

Protect the immune barrier of the skin.

Hydrating, softening, soothing and protecting.

#### *Calendula Oil*

Soothing, anti-inflammatory, antiseptic, antibacterial.

### Actions

---

Glyco cleans the skin deeply.

It is perfect to eliminate make up and impurities.

Glyco induces a mild dead cells desquamation, encouraging cellular renewal. It hydrates and softens keratinised dry dull skins.

## Use

### Skin Conditions

---

All skin types.

Avoid on acneic skin.

### Home Use

---

#### **Morning & Evening**

Apply all over face and neck by light strokes.

Remove with soft tissues or, if preferred, rinse with lukewarm water.

Follow with Fibro Lotion

### Salon Use

---

#### **Step #1 of Skin Care Treatment**

Glyco cleans deeply, preparing your client's skin to get the best results from your treatment.

Apply all over face and neck by light strokes.

Remove with soft tissues.

Two applications are advisable.

Continue the cleansing process with Fibro Lotion.
