

# Hydra-Ger

## Hydrating Mask

### Specific Masks

Hydra-Ger is designed to nourish and maintain an optimal water level to the epidermis.

Moreover, its active ingredients strenghtens the skin barrier.

**Size:** Retail 50 mL/Salon 150 mL

## About

### Key Ingredients

---

**Kaolin** “White natural clay”.

Purifying, astringent and toning.

**Aleuritic Acid** “Type-I ceramide liposoluble molecule”.

Acts as an epidermal lipid thus stengtens the skin barrier limiting water loss.

**Phosphorylated Lipid.**

Prompts epidermal cells to produce more natural ceramides and Natural Moisturizing Factors (NMF). Stimulates the activity of the flaggrinase, one of the enzymes responsible for producing NMF.

**Homarine** “Marine realm-inspired Osmolyte”.

Osmolytes are found in marine invertebrates. They balance the osmotic pressure at cellular level. Homarine regulates the water content of skin cells, maintaining an optimal level of hydration.

### Actions

---

Hydra-Ger allows the basal cells to preserve their moisture, ensuring the hydration of the stratum corneum.

## Use

### Skin Conditions

---

Suitable for dehydrated skins without sensitivity or irritation.

It is an deal mask for achieving an instant skin glow before going out.

### Home Use

---

#### Once a week

1/2 teaspoon is applied by light massage all over face, neck and eye area.

Leave for 10 - 15 minutes and remove with lukewarm water.

Follow with few drops of Cells-Life and a nutritive cream like Synchro or Cytobi.

Hydra-Ger can be used daily for 4 or 5 days to speed up the results.

### Salon Use

---

#### Step #3 or #7 of Skin Care Treatment

Apply Hydra-Ger at the 3rd step to prepare the skin or at the end of a skin care treatment, over the specific creams.

Cover the mask with polyester foil to help infusion of its active ingredients. Leave it for 15 minutes.

Follow with few drops of Cells-Life.
