

Marine Cleanser

Cleansing and Exfoliating Gel

Cleansing and Exfoliating Line

Marine Cleanser is a cleansing and exfoliating gel with micro-capsules. It remineralizes and energises the skin.

Size: Retail 90 mL/Salon 500 mL

About

Key Ingredients

Soft tensio-active ingredients.

Gentle cleansing action.

Polyolefine microcapsules.

Insure a smooth peeling and the elimination of dead cells.

Extracts of sea sediments rich in trace elements such as zinc, copper, manganese and cobalt.

Remineralizing and energizing.

Actions

Marine Cleanser microcapsules dissolve when rubbed and release a polyolefine gel that gently polishes the skin. It ensures a deep cleanse whilst lifting away the superficial dead cells.

The skin becomes exceptionally smooth and radiant.

Use

Skin Conditions

Irritation-free skins of any age.

Home Use

A few times a week

Recommended before the application of a mask or when a deep cleanse is necessary.

Gently massage a small quantity of Marine Cleansing all over the face and neck with wet hands but avoid the eye area.

Rinse with lukewarm water.

Perfect for use under a shower.

Salon Use

Step #1 of Skin Care Treatment

Use Marine Cleansing to deep cleanse at the beginning of a face treatment

Massage gently with wet hands.

Rinse thoroughly with lukewarm water.
