Synchro 2000 is regenerating and revitalizing.

It restores the skin pH.

Synchro 2000 has anti-pollution and anti-oxidant properties.

Use

Skin Conditions

Synchro 2000 is suitable for people who prefer to wear a light-texture cream in the morning.

Home Use

Morning

In the morning, Synchro 2000 can be used by itself or in conjunction with any specific cream.

Only a small amount is applied to the whole face, eye and neck areas.

Note: Synchro 2000 and Synchro "classic" have very similar compositions but are nevertheless somewhat different.

It is recommended that if Synchro 2000 is used in the morning and Synchro be used at night.

Salon Use

Step #8 of Skin Care Treatment

Apply Synchro 2000 at the end of your treatment for customer who prefer to wear a light-texture cream.
