Guidelines**

Do not make use of Active Lotion/Gel the same night after a Nimue professional treatment. Reduce usage of Active Lotion/Gel and Conditioner should the skin feel more sensitive a few days after a treatment

Wait at least 3-4 hours before applying make up.

Re-apply SPF every 2-3 hours.

Inform client that should any persistent erythema, redness, swelling or irritation occur, Nimue Skin Treatment Professional must be informed immediately

It is recommended to only make use of Nimue homecare and not to mix various products.
