

## Purifier Day

50ml

pH4.5

A skin clarifying and mattifying day moisturiser for the treatment of all manifestations in problematic skin conditions. Unique actives based on Dermabiotics, Glycolic Acid and Tea Tree Oil, counteracts the root cause of a problematic skin, while minimising the disruption of the skin barrier.

### Active ingredients

#### primary ingredients

- Nicotinamide (Vitamin B<sub>3</sub>) (repairs and reduces inflammation)
- Postbiotic - Morinda Citrifolia Callus Culture Lysate (denatures harmful bacteria)
- Prebiotic - Inulin and Yoghurt Powder (provides nutrition for healthy bacteria)
- 2.5% Glycolic Acid (exfoliation and renewal)

#### secondary ingredients

- Bisabolol (anti-inflammatory)
- Lacto Complex (balances oil secretions)
- Encapsulated Tea Tree Oil (anti-bacterial and soothing action)
- Dimethyl Isosorbate (penetration enhancer)

### Product benefits

- Targets all causes of acne in the skin and enhances skin health
- Controls and maintains the level of good and bad bacteria on the skin to protect and balance the microbiome
- Helps to prevent further development of acne and scarring
- Lightly exfoliates, improving skin texture
- Calms, reduces inflammation and redness
- Helps regulate sebaceous activity
- Reduces surface oil and breakouts
- Mattifies the skin
- Repairs the skin barrier
- Hydrates

### Application technique

#### am only

- Apply to a clean, dry skin after Nimue Cleanser and Conditioner
- Massage into the skin
- Can be used around the eye and neck area
- Follow with a Nimue prescribed SPF product
- Avoid sun exposure
