

# BOOSTERS

## Purifying Serum

30ml

pH5.0

A multi-active treatment serum for the specialised treatment of problematic skin from age 20 upwards. Unique actives based on Dermabiotics, Anti-oxidants, Encapsulated Retinol and an acid blend, provide a clearer, brighter and less oily skin.

### Active ingredients

#### primary ingredients

- Nicotinamide (Vitamin B<sub>3</sub>) (repairs and reduces inflammation)
- Postbiotic - Morinda Citrifolia Callus Culture Lysate (denatures harmful bacteria)
- Prebiotic - Encapsulated Inulin, Yeast Beta Glucan and Undaria Pinnatifida Extract
- Encapsulated Retinol (normalises keratinisation)

#### secondary ingredients

- Bisabolol (anti-inflammatory)
- Lactobionic Acid (gentle exfoliation and hydration)
- Mandelic Acid (stimulates cell turnover)
- Dimethyl Isosorbate (penetration enhancer)

### Product benefits

- Targets all causes of acne in the skin and enhances skin health
- Controls and maintains the level of good and bad bacteria on the skin to protect and balance the microbiome
- Helps to prevent further development of acne and scarring
- Assists in exfoliation to decongest pores and improve skin texture
- Promotes cell turnover
- Calms, reduces skin inflammation and redness
- Helps regulate sebaceous activity and breakouts
- Repairs the skin barrier
- Hydrates

### Application technique

#### pm only

- Apply a thin layer to a clean, dry skin after Nimue Cleanser and Conditioner
- Massage into the face and neck
- Allow to dry
- Follow with Nimue Purifier Night
- Alternate nightly with Nimue Active Lotion/Active Gel/Active Resurfacing Wipes
- Use a Nimue prescribed SPF product in the morning
- Avoid sun exposure
