

## Skin Refirmer

50ml

pH6.5

A high-tech multi-functional rejuvenation treatment with advanced refirming and anti-ageing technology against wrinkles, expression lines and sagging on the face, neck and décolleté.

### Active ingredients

#### primary ingredients

- Polypeptide & Tetrapeptide (collagen synthesis for rejuvenation)
- Octapeptide & Hexapeptide (reduces muscle contraction for anti-ageing)
- Manilkara Multinervis Leaf Extract (anti-elastase, anti-glycation and elastin synthesis for rejuvenation)

#### secondary ingredients

- Sorghum Bicolour Stalk Juice (skin tightening)
- Tripeptide (boosts hyaluronic acid - moisturisation)
- Inca Omega Oil (anti-oxidant, barrier repair)

### Product benefits

- Reduces muscle contractions and helps to reduce wrinkle depth
- Micro-lifting and immediate wrinkle smoothing effect
- Increase in firmness and elasticity and reduces sagging of aged skin
- Multi-functional treatment that also offers barrier repair, moisturisation and anti-oxidant properties
- Smooth, supple and plump skin

### Application technique

am or pm

- Can be introduced into skincare regime after 6 months as a day moisturiser
- If needed, can be used am and pm after 1 year. (as muscle action is most active during the day, it is ideal for daytime application, however, day and night usage further reinforces the efficacy for optimum results)
- Apply over Active Lotion or Booster. Allow to dry
- For periodic or permanent use
- Ideal for use as a neck and décolleté cream
- Use between the ages of 35-40 for the prevention and targeting of the first appearance of expression lines, and more mature skin for rejuvenation
- Do not use in the same application as Nimue Alpha Lipoic Activator, but alternate applications
