

education tip jar

USP

- Improves the texture of the skin
 - skin feels soft and smooth
- Degreasing and deep cleansing without drying out the skin
- Hydrates and plumps the skin
- Improves the appearance of enlarged pores
- Minimises stubborn blackheads

The Ingredients

7% AHA | Loosens dead skins cells thereby helping to accelerate the skins natural exfoliation process. This in turn increases the cell renewal cycle. New, young and vibrant cells results in a healthy looking skin!

Petitgrain Oil | Degreasing, anti-inflammatory, anti-bacterial

Tea Tree Oil | Anti-inflammatory, anti-bacterial

How to use

- 3-4 sprays on gauze (gauze assists in natural exfoliation action)
- Avoid contact with eyes
