

Hyaluronic Ultrafiller Serum

A powerful combination of 2 forms of new generation Hyaluronic Acid molecules delivering multiple benefits throughout all the layers of the skin.

SELLING TIPS

- Flash filler effect/needle-free filler (works within 1-6 hours)
- Instant and deeper, long-lasting hydration
- Anti-ageing
- Anti-pollution
- Anti-oxidation

KEY INGREDIENTS

Acetylated Hyaluronic Acid

Triple action approach:

- anti-ageing
- anti-pollution
- anti-oxidation

Crosslinked Hyaluronic Acid

High water binding capacity, increasing skin hydration in all skin layers.

May be used continuously or for periodic use, depending on skin requirements

May be used during the Transitional Period
