

BROW FIXX

ABOUT PRODUCT

Brow Fixx is a gel tint and brow shaper that is designed to enhance the appearance of eyebrows, giving them a polished and professional look. It can help fill in sparse areas and create an even symmetrical appearance, as tiny fibres in the formula bulk up brows.

● **BENEFITS:** Brow Fixx is designed to create a natural-looking result, defines and shapes brows, long lasting, easy to use and creates a natural looking result.

SKIN TYPE

● All complexions

HERO INGREDIENTS

- Mica
- Vitamin C
- Wheat Protein

APPLICATION: PRO TIPS

The ball brush applicator is designed to be precise and easy to control, so you can create the perfect shape and colour for your brows.

SUGGESTED BRUSH: Included Ball Brush Applicator

SUGGESTED COMPANION PRODUCT: Wear alone or with ADDERTON Brow Shadow.
