

Daily Calm and Restore

50ml

pH5.0

A lightweight, yet deeply nourishing treatment moisturiser, based on powerful Dermabiotics, plant stem cells, anti-inflammatory, lipid-restoring, hydrating and botanical active ingredients. This highly concentrated treatment emulsion is a minimalistic application of a day/night moisturiser in one.

Active ingredients

primary ingredients

- Squalane (superior moisturisation and barrier protection)
- Isostearyl Isostearate (reinforces the natural skin barrier)
- Skin Immunity Re-balancer (rebalances skin's immune system and soothing effect)
- Sensory Regulator (cooling and soothing)
- Botanical Complex of 7 plant extracts (anti-irritation and reduces erythema and TEWL)
- Morinda Citrifolia Fruit Extract (plant stem cell biotechnology) (rebalances skin microbiota)
- Daucus Carota Sativus (plant stem cell biotechnology) (rebalances skin microbiota, calms and reduces inflammation)
- Prebiotic - Inulin and Yoghurt Powder (provides nutrition for healthy bacteria)

secondary ingredients

- Panthenol (vitamin B₅) (hydrating and soothing)
- Allantoin (repairing and soothing)
- Jojoba Oil and Shea Butter (nourishing and moisturising)

Product benefits

- Skin barrier repair and protection
- Lipid restoration
- Intense skin hydration and nourishment
- Provides skin immunity and anti-inflammatory benefits
- Balances the skin microbiome
- Immediate cooling and soothing effect
- Reduces skin irritation
- Increases skin comfort

Application technique

am and pm

- Apply to a clean, dry skin after prescribed Nimue cleanser and Conditioner
- Massage into the skin
- Follow with a Nimue prescribed SPF product in the morning
- Avoid sun exposure
- Suitable for use over Nimue Soothing Repair Serum
